Question 3: On the emergency shelter beds - is it intended for this to be a shelter setting or would resource homes be acceptable?

Answer 3: It may be a shelter setting or resource home.

Question 4: Is there a no eject/no reject policy in force for these beds

Answer 4: We do have a no eject/no reject policy; however, the County does understand there are unique circumstances, (i.e. fire setters, sex offenders, etc.), and those issues should be conveyed in the RFP.
